## VISION

Continuous innovation and craftsmanship are an integral part of our vision. We aim to be the first choice of every leading company that seeks to partner with an aesthetically appealing and high quality project.

## MISSION

The company has the mission to yield 100% customer satisfaction by providing a wide range of useful furnishings and aesthetic accessories.

## VALUE

Throughout the years, Ospana baths have stood by a set of values that helped make us cut the mustard in the sector.

## About Us

---

Ospana Bath is a technologized enterprise integrated with R&D, manufacturing, sales, and services, with an entire set of an integrated sales team, applying brand strategy. Ospana Bath takes pride in introducing a wide range of its qualitative products and accessories.

Ospana Bath Groups began its journey in R&D from 2019. Within a short period, the company has generated the trust of its users and retailers. The company distinguishes itself by presenting a wide range of bathroom vanity and cabinets which are made up of high performance polymer resulting in a product that is first of its kind.

Ospana Bath has always ensured that the quality of its products and accessories is never compromised coupled with the exquisite and classic touch generating aesthetic sense. We have built the reputation of the company on the pillars of supreme quality standard aesthetics backed with the aim of offering top-notch and incredible products.

Ospana takes pride in having India's largest production capacity unit. The company has the latest technology coupled with smart and qualified management to yield maximum out of it. The company has been effectively delivering the wide range of its quality products to the global markets as well for three years.

Owing to supreme quality products and excellent customer service, the company has cut the mustard and made the grade in such a such a short period.

Urge for improvement and striving for excellence has been the core strategy to make the grade in the sector. The company has been growing constantly and expanding its reach to different territories across the continents. We value perfection and that's why we always chase it. You can end your search for the long lasting and qualitative vanity and cabinets at Ospana Bath. The wide range of durable and waterproof bathroom cabinets and vanity brings in the classic elegance with the the juxtaposition of simplicity and boldness to your bathroom. The wide range of designs epitomises a harmonious interplay between nature and design.

The wide range of the bathroom cabinets and vanity are incomparable thanks to the toughness, elegance, and durability of the products. The company takes utmost pride in introducing the accessories which are first of its kind owing to the high performance polymer used resulting into the final product which is, 100% maintainance free, Fully Unbreakable and Waterproof. In a nutshell, your search for the qualitative bathroom accessories should end at Ospana Bath.

# SALIENT FEATURES

## MAINTENANCE FREE

One thing that Ospana never compromises with is the Quality. We have always believed in continuous innovation and development of the processes involved in the manufacturing. Owing to the same, we have been getting positive consents from the market. We aim to achieve 100% customer satisfaction. Owing to the high-performance polymer used while manufacturing of the accessories, they require negligible to no maintenance. We don't want any stone unturned on our way to reach 100% customer satisfaction.

## FULLY WATERPROOF

Ospana always makes the most to keep up with the modern trends and technologies and ensures that it doesn't lag in terms of technology. Needless to say, bathroom accessories will be in touch or proximity with water most of the time. We know that it is fact and that's why all our accessories are water repellent making our cabinets and vanities one of a kind in terms of durability. Whether you keep showering the accessories with water or even go to the extent of keeping your accessories soaked up for months, the quality will remain unchanged and that's why we are different. When it comes to quality, we just never compromise!!

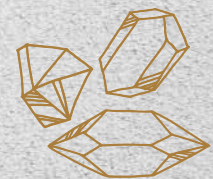

## DURABILITY

Needless to say, durability is the factor that determines the quality of the products and thereby determines the customer foot-fall. When it comes to manufacturing, we always go with the latest trends and technologies. While leveraging the latest technologies, it is ensured that the final product is marked with the attribute of durability for sure and rest of the features follow. The attributes like 100% free of maintenance, water-resistance and unbreakability put stamp on the durability of each our products. When you shop at Ospana Baths, expect the best!

## EXQUISITE DESIGNS

Each of our products are coupled with the latest designs adding aesthetic sense to our products along with the major attribute of durability and longevity. We provide you with wide range of designs with myriads of colors and oodles of patterns to choose from when you have to select the cabinet or vanity for your bathroom.

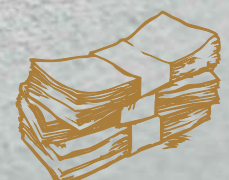

## TECHNOLOGY

The whole caboodle of the products of Ospana Bath are made with the detailed and proper research. We keep up with the latest technologies at global level, owing to which you get the advantage of Indian Durability backed with latest foreign and aesthetic looks. The longevity, durability, water-resistance, classic beauty and unbreakability, all are the result of the latest technologies leveraged while manufacturing the best of our products.

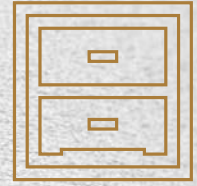

## AFFORDABILITY

We provide you the best of quality with the best of rate ensuring that your pocket doesn't bear the brunt of it. The wide range of products are framed keeping the range of budget of all our customers and clients. When you approach us, you don't leave dissatisfactorily.

## FIRST OF ITS KIND PRODUCTS

The company takes utmost pride in introducing the accessories which are first of its kind, owing to the high-performance polymer used while manufacturing. We leverage the latest technologies followed with proper research and process resulting into the products which are 100% maintenance free, fully unbreakable and waterproof.

## CUSTOMER SATISFACTION

Customers have always been at the top of our priority list and we cannot afford to bring any level of dissatisfaction from our clients/customers under any circumstances. The requirements of our clients/customers are known to us. That's we leave no stone unturned to cater the needs and meet the demands of our clients be it in terms of beauty or durability. The company has the mission to yield 100% customer satisfaction by providing wide range of useful furnishings and aesthetic accessories of bathroom.

## INNOVATION & CRAFTSMANSHIP

Continuous innovation and craftsmanship are integral part of the vision with which we walked on the path of entrepreneurship. We never believe in remaining stuck to the age-old processes, technologies and designs. We look for continuous innovation and creativity, which have become the keys to our success.

## GLOBAL STANDARDS

Ospana takes pride in having India's largest production capacity unit. The company has the latest technology coupled with smart and qualified management to yield maximum out of it. The company has been effectively delivering the wide range of its quality products to the global markets as well for six years.

## QUALITY CONTROL

Ospana Bath has always ensured that the quality of its products and accessories is never compromised coupled with the exquisite and classic touch generating aesthetic sense. We have built the reputation of the company on the pillars of supreme quality standard aesthetics backed to offer topnotch and incredible products.
